

Introduction

Global grade systems

Grade system define how assessments are a marked. Global grade system can be applied to any qualification delivered by a school. It it also possible to create local grade system for a particular campus.

The grade system will establish rules for passing and failing a competency based qualification, and what grades to assign to an achievement based qualification.

To add a new grade system

select **Admin->Assessment->Grade Systems->Global Grade Systems** from the main menu tabs.

Then click **New...**

The screenshot shows the NSIA aPlus+ web application. The top navigation bar includes links for Home, Courses, Students, Reports, School Admin (highlighted), Admin, and Help. The 'Admin' dropdown menu is open, showing options like General, Staff, Assessment, Attendance, Plug-ins, Dishonest Practice, Specials, and Settings. The 'Assessment' submenu is also open, showing Academic Review, Grade Systems, and Assessment Types. The 'Grade Systems' submenu is further open, showing School Grade Systems, Global Grade Systems, and Link Grade Systems. The main content area is titled 'Edit Grade Systems for 'NSIA Campus' and features a 'New...' button, a 'Show:' dropdown menu set to 'Not archived', and an 'Update' button. Below this, it states '(Global grade systems are not shown below)' and 'No records to show'. At the bottom, there is a link to 'Find and copy grade system...'.

Tick **Courses** for Applies to and give the system a title ("competency system", "Achievement system").

We use boundaries on the right to associate marks to grades.

Boundaries ?

Normally the first boundary should be 0.

Boundary	Grade	
0	F	Remove
63	D	Remove
73	C	Remove
83	B	Remove
93	A	Remove

+ Add Boundary

We can then indicate which grades will allow for a pass.

use "I" to indicate **Incomplete grade**.

Tick **Allow WD** and set WD Grade: to "WD", and apply: to '**Always, regardless of when**'.

<input checked="" type="checkbox"/> Allow WD ? (withdrawn grade)	WD Grade:	WD
	Apply: ?	If before semester WD date <input checked="" type="checkbox"/> Always, regardless of when If before N days after course start
	Number of days after course start: ? (eg 14)	

Click **Create**.

A competency based grade system will have one boundaries of 0 = F and 1 = C, Fail and complete.
