

Introduction

Global grade systems

Grade system define how assessments are a marked. Global grade system can be applied to any qualification delivered by a school. It it also possible to create local grade system for a particular campus.

The grade system will establish rules for passing and failing a competency based qualification, and what grades to assign to an achievement based qualification.

To add a new grade system

select **Admin->Assessment->Grade Systems->Global Grade Systems** from the main menu tabs.

Then click **New...**

The screenshot shows the NSIA aPlus+ web interface. The top navigation bar includes Home, Courses, Students, Reports, School Admin, Admin, and Help. The 'Admin' menu is open, showing options like General, Staff, Assessment, Attendance, Plug-ins, Dishonest Practice, Specials, and Settings. The 'Assessment' menu is further expanded to show Academic Review, Grade Systems, and Assessment Types. The 'Grade Systems' menu is expanded to show School Grade Systems, Global Grade Systems, and Link Grade Systems. The main content area is titled 'Edit Grade Systems for 'NSIA Campus' (ons Street)'. It features a 'New...' button, a 'Show:' dropdown menu set to 'Not archived', and an 'Update' button. Below this, there is a message: '(Global grade systems are not shown below)'. Further down, it says 'No records to show' and 'Check the currently selected school.' At the bottom, there is a link: 'Find and copy grade system...'.

Tick **Courses** for Applies to and give the system a title ("competency system", "Achievement system").

We use boundaries on the right to associate marks to grades.

Boundaries ?

Normally the first boundary should be 0.

Boundary	Grade	
0	F	Remove
63	D	Remove
73	C	Remove
83	B	Remove
93	A	Remove

[+ Add Boundary](#)

We can then indicate which grades will allow for a pass.

use "I" to indicate **Incomplete grade**.

Tick **Allow WD** and set WD Grade: to "WD", and apply: to '**Always, regardless of when**'.

Allow WD ? (withdrawn grade)

WD Grade:

Apply: ?

Number of days after course start: ?
(eg 14)

- If before semester WD date
- Always, regardless of when**
- If before N days after course start

Click **Create**.

A competency based grade system will have one boundaries of 0 = F and 1 = C, Fail and complete.
